gets Mysore must get is not a financially sound agreement The Dy's applⁿ looks at the question only from the point of view of the Head masters emolu He is to be given Rs 50/ a month as house rent to rent a house perhaps at the other end of the town & live there The principle on which house rents or free houses are given to Headmasters is that they shall live near the school & school boarding and mess with the pupils out of school hours in sports debat social functions &c There is no reference to this aspect in the Dy's letter ~~of the Board~~ The object is fulfilled in Mysore by the Principal himself living in free quarters close to the college & boarding.
